Home telephone: ________________ Work telephone: ________________

The Science Exploration Camp will offer students an opportunity to explore many aspects of the sciences. They will interact with Stony Brook and secondary school faculty and other students in the laboratory, on field trips and in workshops. Although every safety precaution will be taken, certain hazards remain and risks of physical injury and/or property damage, while minimal, do exist in such a program.

I understand that Stony Brook University does not carry liability, medical or property damage insurance in these cases, and that the primary responsibility in case of accident will be provided by myself and/or my own insurance.
